ZLINE 42 in. Ducted Wall Mount Range Hood in Outdoor Approved Stainless Steel (697-304-42)

INTRODUCTION

The ZLINE 697-304-42 is a 42 in. professional wall mount outdoor approved stainless steel range hood with a modern design and built-to-last quality, making it a great addition to any kitchen. This hood's high-performance, 700 CFM 4-speed motor will provide all the power you need to quietly and efficiently ventilate your stove while cooking. With its classic 304 grade stainless steel, this range hood contains rust, temperature, and corrosion-resistant properties to ensure a durable vent hood that will last for years to come. Enjoy modern features, including built-in LED lighting for an illuminated culinary experience and dishwasher-safe stainless steel baffle filters for easy clean-up. This wall mount range hood has a ducted vent with easy, simple installation. ZLINE Kitchen and Bath stands by all products with its manufacturer parts warranty. The 697-304-42 ships next business day when in stock.

FEATURES & BENEFITS

4-Speed fan control (280/420/560/700 CFM) to choose the appropriate air flow for your cooking situation

700 CFM air flow (highest speed setting) efficiently exhausts large amounts of air away from your cooking area

Fixed vent with ductwork that easily connects to the top of the range hood for external venting

Designed to fit standard (circular) ductwork for simple installation

3 year parts warranty, life-time motor warranty

Please note the position of a grill lid can block the range hood filters and decrease range hood performance. We recommend moving the range hood to accommodate your grill lid or ensure range hood depth will surpass the size of the grill and mounted 38-42 inches above the grill.
