# Universal French-door Refrigerator

FD3620UWI
Built-in

Semi-professional refrigerator of premium quality and large dimensions for the home environment. The most advanced technologies are combined with Smeg's elegant design to guarantee maximum refrigeration performance together with intelligent functions

## Features

**Adjustable space for every need** - Adjustable shelves and door bins adapt easily to any requirement. They can easily be moved up or down, allowing a simple, quick, and functional organization of food.

**Smart temperature management** - In the variable temperature compartment the temperature can be adjusted with a simple touch, between -1°C and 5°C, offering flexible storage. An ideal solution for varying needs or installations with multiple refrigerators.

**Automatic ice maker with direct water connection** - Constant ice availability thanks to the automatic ice maker, directly connected to the water supply for effortless and uninterrupted production

**Water dispenser** - The water dispenser always offers fresh water in a practical way and without the need for plastic bottles
