24" Fully-Integrated Dishwasher

DW8601
Universal
Tall Tub

Built-in fully integrated dishwasher with an elegant design and increased height. Perfect for accommodating taller dishes, it combines flexibility and impeccable washing results while seamlessly blending with the kitchen design

Features

Flood protection system - Water damage prevention for peace of mind, thanks to Aqua Stop technology that automatically shuts off the water flow in case of a leak

DELAY START - Improved flexibility and convenience with the Delay Start option, which allows cycles to be scheduled up to 24 hours in advance

FlexiZone half-load option - Save water and energy with the FlexiZone Half Load option, which optimizes wash performance by adjusting water and energy consumption when washing smaller loads

Turbidity sensor Aquatest - Enhanced energy efficiency and improved cleaning performance thanks to the AquaTest turbidity sensor, which detects water clarity and helps optimize the wash cycle

General information

Number of place settings	14

Technical Features

Motor	Inverter
Display type	LED display (3 digits)
End-of-cycle indicator	On display, with acoustic signal
Washing system	Standard
Turbidity sensor Aquatest	Yes
Flood protection system	Single Aquastop
Drying system	Natural condensation drying
Hinges	Self-balancing with fixed hinges

Programs

Number of programs	8
Delicates	Yes
Auto	Yes
