

Product: 30 Inch Professional Drop-In Gas Cooktop with Four Burners in Stainless Steel

Model Number: TGC3001

TECHNICAL DETAILS

Appliance Type	Built-In
Fuel Type	Gas
Ignition Type	Electrical
Cooktop Control Type	Standard Dial Control
Control Location	Right
Color/Finish	Stainless Steel
Knobs Material	Metal Knob - Acrylic Trim Ring for Blue LED
Commercial/Residential	Residential

FEATURES & BENEFITS

- Four High-Intensity Burners:** Four sealed burners, including a high-intensity 18,000 BTU power burner that produces fast, intense heat and contains spills to make cleaning quick and easy.
- Professional Illuminated Knobs:** Metal constructed knobs provide easy access to flame settings and illuminate a striking blue when in operation.
- Stainless Steel Cooktop:** Adds a sleek, modern design to any kitchen; this product is designed with a single piece of stainless steel to withstand spills and grease for easy cleaning.
- Continuous Grates:** Heavy-duty continuous cast iron grates allow for easy movement of pans between burners.
- Automatic Electric Ignition:** Eliminates the need to manually light the burners and protects the user from the likelihood of a burn because lighters and matches are not needed. It also saves money by using less gas than a standing pilot range.
- Liquid Propane Option:** LP convertible with liquid propane conversion kit included.
- Wok Ring:** Features a wok ring that provides extra stability for cooking with round-bottom woks.

BURNER PERFORMANCE

Total Burners	4
